SUMMARY

Final-year B.Tech Information Technology student with strong communication, public speaking, coordination and interpersonal skills. Experienced in working on collaborative projects, presenting ideas, and coordinating college activities. Interested in Talent Acquisition and HR, particularly candidate sourcing, communication, interview coordination and employer branding. Eager to gain hands-on experience and contribute in a fast-paced professional environment.

CORE SKILLS

Recruitment & HR: Candidate Sourcing, Resume Screening, Candidate Communication, Interview Coordination, Recruitment Support, Employer Branding
Professional Skills: Communication, Public Speaking, Team Coordination, Leadership, Time Management, Problem Solving, Organization
Tools: MS Excel, Google Sheets, MS Office, LinkedIn, Naukri
Technical Background: Java, Python, SQL, React.js, Spring Boot, PostgreSQL

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Public Speaking & Anchoring

- Anchored college fests and events, interacting confidently with audiences and coordinating with event teams.
- Developed strong public speaking, communication and audience-engagement skills.

Team & Event Coordination

- Participated in college technical and cultural activities involving teamwork, planning and coordination.
- Comfortable taking initiative, communicating with different people and managing responsibilities within a team.

Creative & Content Activities

- Interested in creative writing, scripting, graphic design and content creation.
- Enjoy developing creative ideas and adapting content for different audiences and platforms.

EDUCATION

K. K. Wagh Institute of Engineering Education and Research, Nashik
B.Tech in Information Technology | SGPA: 8.14 | 2024 - 2027(Present)

K. K. Wagh Polytechnic, Nashik
Diploma in Computer Technology | Percentage: 89% | 2020 – 2023

WORK EXPERIENCE

NGO Volunteer | June 2025 - Currently

- Coordinated with team members and volunteers to support NGO activities, events and assigned responsibilities.
- Interacted with people from different backgrounds, strengthening communication, teamwork and coordination skills.

Software Development Intern | Winjit Technologies, Nashik | May 2023 – July 2023

- Worked on enterprise software development workflows, contributed to database operations and debugging in a collaborative development environment.

ACHIEVEMENTS

- Published research paper “RescueLink Pro” in IJNRD.
- Winner – Sanjivani Hackathon 2024.
- Top 10 Finalist – NASA Space Apps Challenge.

SUMMARY

Building scalable software with Java and intelligent solutions with AI. Strong foundation in Data Structures & Algorithms, Object-Oriented Programming, and full-stack application development using Spring Boot, React.js, and PostgreSQL.

TECHNICAL SKILLS

Languages: Java, C++, Python, SQL | **Core CS:** DSA, OOP, OS, DBMS
Frontend: React.js, JavaScript, Typescript | **Backend:** Node.js, Spring Boot, REST APIs
Databases: PostgreSQL, MongoDB
Developer Tools: Git, Github, Docker, Kubernetes

PROJECTS

DevIntel – Agentic AI Learning Intelligence System
Tech Stack: Python, FastAPI, React.js, TypeScript, BERT

- Developed an Agentic AI platform that analyzes developer news, GitHub activity, and technology trends to generate personalized learning insights.
- Built AI-powered trend analysis and recommendation workflows using FastAPI, React, Gemini AI, and NLP models.

Cloud-Native Multi-Tenant SaaS Application
Tech Stack: Java, Spring Boot, React.js, PostgreSQL, JWT

- Engineered a multi-tenant SaaS platform with secure tenant isolation, role-based access control (RBAC), and JWT authentication.
- Developed RESTful APIs and backend workflows using Spring Boot and PostgreSQL for scalable tenant management.

BrailleLite – Accessibility Platform
Tech Stack: Spring Boot, React.js, PostgreSQL, Tesseract OCR

- Developed an accessibility platform that converts images and PDF documents into Braille using OCR.
- Implemented secure authentication, REST APIs, and content management for users and NGOs.

EDUCATION

R. K. Wagh Institute of Engineering Education and Research, Nashik
B.Tech in Information Technology | SGPA: 8.23 | 2024 - 2027(Present)

K. K. Wagh Polytechnic, Nashik
Diploma in Computer Technology | Percentage: 89% | 2020 – 2023

WORK EXPERIENCE

Software Development Intern | Winjit Technologies, Nashik | May 2023 – July 2023

- Worked on enterprise software development workflows, contributed to database operations and debugging in a collaborative development environment.

Frontend Development Intern | Sumago Infotech Pvt. Ltd. | June 2024 - August 2024

- Developed responsive user interfaces using React.js, HTML, CSS, and JavaScript.
- Integrated frontend components with backend APIs to improve application functionality.

ACHIEVEMENTS

- Published research paper “RescueLink Pro” in IJNRD.
- Winner – Sanjivani Hackathon 2024.
- Top 10 Finalist – NASA Space Apps Challenge.

Coding Profiles : Leetcode [https://leetcode.com/u/Dinah_Khan/]
Solved 200+ problems
